# HARPER'S NEW MONTHLY MAGAZINE. A NEW VOLUME.

DURING the last six months there have been issued of Harper's New Monthly Magazine over Eight Hundred and fifty thousand Numbers. The Publishers may safely to this fact as evidence of the unparalleled and constantly increasing success with which their efforts to publish a cheap, instructive, and entertaining monthly have been attended. They renew the expression of their thanks to the public for their constant confidence and support, and especially to the press for the substantial aid it has afforded in making their efforts and publication known to the American people.

It can scarcely be necessary to add the assurance that the plan of conducting the Magazine, which has proved so successful, will be continued with increased assiduity and care. The wants and tastes of the great mass of the people will continue to be consulted, and no labor or expense will be spared to give them, every month, the largest amount of the most interesting and instructive literary matter, original and selected, in the best form and at the cheapest price. Special and increased attention will be to the series of original illustrated articles, descriptive of American scenes and historical incidents, prepared by the most popular writers, and accompanied by engravings by the best artists in the United States.

In every department of the Magazine renewed efforts will be made to increase its utility, its interest, and its attractiveness for general readers.

Though it has not yet completed the sixth year of its existence, Harper's Magazine has a circulation greater by many thousand than was ever attained by any other publication ever issued in any part of the world. It is the determination of the publishers that it shall continue to merit this unparalleled and still increasing popularity.

Each number of the Magazine will contain 144 octavo pages, in double columns, each year thus comprising nearly two thousand pages of the choicest Miscellaneous Literature of the day. Every Number will contain numerous Pictorial illustrations, accurate Plates of the Fashions, a copious Chronicle of current Events and impartial Notices of the important Books of the Month. The Volumes commence with the Nos. June and December, but subscriptions may commence with any No. Terms.—The Magazine may be obtained of Booksellers, Periodical Agents or from the Publishers, at \$3 a year, or 25 cents a number. The Semi-annual Volumes, as completed, neatly bound in Cloth, are sold at Two Dollars each, and Muslin Covers are furnished to those who wish to have their Books uniformly bound. At Twenty-five Cents each. Eleven Volumes are now ready, bound. Harper's Story Books and Harper's Magazines will be sent to one Address, for one year, for Five Dollars.

The Publisher will supply specimen Numbers gratuitously to Agents and Postmasters, with them for circulating the Magazine. They will also supply Clubs, of two persons at Five Dollars a year, or five persons at Ten Dollars. Clergymen supplied at two Dollars a year. H. HARPER & BROS., PUBLISHERS.

## NEW VOLUME—1856.

GRAHAM'S AMERICAN MONTHLY MAGAZINE. Established in 1827.

Devoted to Literature, Art and Fashion. The New Volume, commencing with the January number, 1856, will contain over Twelve Hundred Pages of the choicest reading matter, Steel and Wood Engravings, and music. Each number will contain a splendid Steel Engraving; a Plate of the Paris Fashions, on Steel, elegantly colored; one or more articles, richly illustrated with wood engravings; miscellaneous Prose and Poetry; an Editor's Table; Reviews of New Books; Monthly Summary; Hints on Fashion and Fashionable Intelligence; Patterns for Needle-work, and new music.

The Steel Engravings will embrace finely executed portraits of the celebrated literary writers of the day, interspersed with a variety of other subjects of general interest. The Fashion Plates are engraved on Steel, after the latest Paris Fashions, giving out and in door costumes for the month. They have been pronounced superior to those published in any other American Periodical.

The Wood Engravings will be of the highest finish, and by our best artists. The Literary matter will consist of Historical, Biographical and Literary Essays, sketches of Travel, Fine Arts, Novels, Tales, Romances, etc. The Novels and Romances of Graham are universally acknowledged to excel in beauty and interest any others published in America.

The Editor's Table is made up of Humorous Sketches and Anecdotes, Foreign, Domestic and Literary Gossip, etc. The monthly Summary of Current Events, prepared by Wm. Dove, gives a condensed account of the principal events, which have taken place in the World, during the preceding month.

The Reviews of New Books from the pen of the great critic, E. P. Whipple. The Needle-work Patterns for Collars, Underclothes, Caps, Berthas, Skirts, Embroideries for Handkerchiefs, and general Needle-work, are numerous and beautifully designed.
